Experience

Brown Student Radio | Head of Graphic Design
February 2024 - Present

- Established screen printing team, gathering resources and training other designers so that the club could independantly create their own merchandise
- Developed an updated identity built around merging kinetic technology with hand drawn imagery.
- Updated website, schedule, and social media to reflect the new identity

There's Something In Your Ear | Radio Show Host
September 2024 - Present

- Curate music to fit a unique theme every week
- Use and maintain the broadcasting equipment in the studio
- Design promotional material for social media
- Designed and programmed interactive website
- DJ live mixes with the studio's Pioneer CDJ 3000s

Two Creek Farm | Volunteer Farmhand
January 2026 - February 2026

- Provided daily care for 500 laying hens, including egg collection and packing
- Assisted with farm projects such as animal moves
- Developed a line of whipped tallow skincare products

WAGR | Head of Graphic Design
June 2025 - September 2025

- Lead UI/UX design for gameplay, menus, and user flows across multiple game titles
- Developed a brand identity including logos, color systems, typography, and visual tone
- Designed social media graphics, launch trailers, pitch decks, and web visuals
- Collaborated on core game design elements, contributing to level design
- Helped define product vision and player experience strategy from concept to launch
- Created and managed scalable design systems using tools like Figma and Adobe Creative Suite

Rhode Island School of Design | Risograph Technician
September 2024 - May 2025

- Maintain and operate RISD's Risograph printer
- Assist students with printing their projects
- Instruct students on preparing their files for printing
